April 25, 2022

The Honorable Rosa L. DeLauro,
Chairwoman
Committee on Appropriations
The Capitol Washington, DC 20515

The Honorable Kay Granger Ranking
Member
Committee on Appropriations
The Capitol Washington, DC 20515

Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the Sewer Lift Station and Force Main - Downtown Lafayette and University Avenue project in the Fiscal year 2023.

The entity to receive funding for this project is 705 West University Avenue, Lafayette, LA 70506.

Funding would be utilized to construct a major sewer lift station and force main to accommodate growth and expansion in the downtown Lafayette area and the University of Louisiana footprint. This project will allow for rerouting of sewers and discharging directly into a sewer plant, eliminating overflows.

I certify that neither I nor my family has any financial interest in this project.

Respectfully,
